South Bay Family Health and Dental Center opens its doors in National City in November.

2016

San Ysidro Health Center announced a new name and brand identity and is now San Ysidro Health. The year-long rebranding campaign was made in order to reflect the growth and expansion that has taken place for nearly 50 years. The word "Center" was 2017 removed to reflect the expanded, comprehensive services offered and increased patient base it serves. The new name and logo pay homage to the organization's humble beginnings and help identify more clearly the service areas and communities served throughout San Diego County. Along with a new name and logo, San Ysidro Health also rolled out a new mission statement.

All of Us Journey Tour
